OVERVIEW

A conditional sale and purchase agreement has been entered into with FSHC Properties (CH2) Limited, Four Seasons (No 10) Limited, Four Seasons (No 11) Limited, BNTL Care Ltd and Lukka Care Homes Limited relating to the sale of the Summerdale Court Care Home, 73 Butchers Road, London E16 1PH and the associated interests in land (the “**Sale Assets**”) for a value of £8,600,000.00 in cash (the “**Transaction**”).

All conditions, including regulatory approval, are expected to be met in due course and the Transaction is expected to complete on 28 March 2022. The Transaction is conditional upon, among other things, any security over the Sale Assets being released.

The Notes Proposals will seek the consent of the Holders to GLAS Trust Corporation Limited, as Security Agent, releasing the relevant Security created under the Security Documents over the Sale Assets by executing the Deed of Release, any other Release Documents and doing any other acts as may be necessary in order to give effect to such releases (the “**Security Release Request**”). Adoption of the Notes Proposals will provide the consent of the Majority Senior Secured Creditors in respect of the Security Release Request and will enable the Transaction to progress to completion.

The 2019 Notes Issuer solicits the Consent (as defined below) to approve the Notes Proposals. This Consent Solicitation is made on the terms and subject to the conditions set out in this Consent Solicitation Statement. Before making a decision as to whether to provide the Consent, Holders should carefully consider all of the information contained in, and incorporated by reference into, this Consent Solicitation Statement and, in particular, the risk factors described or referred to herein under “*Certain significant considerations*”.

CONSENT SOLICITATION

Consent from Holders in respect of the Transaction (the “**Consent**”) is being sought, with the consent of Holders representing more than 50 per cent. of the outstanding principal amount of the 2019 Notes (the “**Required Consent**”), in relation to the Security Release Request.

If the Required Consent is obtained at or prior to the Expiration Time (and has not been revoked prior to the Expiration Time), the Holders consent to the Required Consent and instruct the Security Agent to enter into the Deed of Release and Release Documents, and to do any other acts as may be necessary in order to give effect to such releases, subject to the Conditions having been satisfied, and upon execution of the Deed of Release and any Release Documents (each in form and substance satisfactory to the Security Agent, acting reasonably) the relevant Security under the Security Documents will be discharged.

The 2019 Notes Issuer anticipates that, if the Required Consent is obtained at or prior to the Expiration Time (and has not been revoked prior to the Expiration Time), the Information and Tabulation Agent will give written notice to the Security Agent and the 2019 Notes Issuer that the Required Consent with respect to the 2019 Notes has been received.

The Notes Trustee has no responsibility or liability to ensure that Holders who deliver a Consent (i) validly delivered such Consent and (ii) did not validly revoke such Consent pursuant to the terms set forth in this Consent Solicitation Statement.

The Notes Proposals will become effective if the Required Consent is received at or prior to the Expiration Time (and has not been revoked prior to the Expiration Time) but the Security Agent will not be authorised to enter into the Deed of Release and Release Documents, and to do any other acts as may be necessary in order to give effect to such releases, until the Conditions have been satisfied.

If the Notes Proposals are adopted and become effective, each present and future holder of the 2019 Notes will be bound by their terms, whether or not any such holder delivered Consent pursuant to the Consent Solicitation.

REQUIRED CONSENT

Adoption of the Notes Proposals requires the Required Consent. **The Notes Proposals shall only be implemented for the 2019 Notes if the Required Consent is obtained at or prior to the Expiration Time (and has not been revoked prior to the Expiration Time).**

If the Required Consent is not received at the Expiration Time, then the Security Agent will not receive consent to release the relevant Security under the Deed of Release and Release Documents and the Security will not be discharged.

Consent with respect to any of the 2019 Notes, in order to be valid, must be delivered in accordance with the procedures established by and in the minimum denominations required by the relevant Clearing System (as defined below). If the Required Consent is received at or prior to the Expiration Time (and has not been revoked prior to the Expiration Time), the Information and Tabulation Agent will give written notice and provide written certifications to the Security Agent and 2019 Notes Issuer, upon which the Security Agent may conclusively rely, that the Required Consent has been validly delivered, not validly revoked and received. Following the satisfaction of the Conditions (in form and substance satisfactory the Security Agent, acting reasonably) the Security Agent will execute the Deed of Release and Release Documents and do any other acts as may be necessary in order to give effect to such releases.

As soon as practicable after the Expiration Time, the 2019 Notes Issuer will make an announcement by sending a notice via the Clearing Systems and by posting a notice on the Irish Stock Exchange website (www.ise.ie) informing Holders of the results of the Consent Solicitation, including whether the Required Consent has been obtained. All Holders, including the holders who are not consenting Holders (as defined below) (the “**Nonconsenting Holders**”), and all subsequent holders will be bound by the Notes Proposals from the Effective Time.

REVOCAION OF CONSENT

All Consent will be made on the basis of the terms set out in this Consent Solicitation Statement and, once made in the manner described above, may only be revoked by a Holder of the 2019 Notes prior to, but not on or after, the Expiration Time. See “*The Solicitation—Revocation of Consent*”.

NOTES PROPOSALS

The 2019 Notes Issuer, subject to the terms and conditions set forth in this Consent Solicitation Statement, is soliciting the Consent from Holders, subject to satisfaction of the Conditions, to consent to the Security Agent, pursuant to paragraph (a) of Clause 18.4 (*Instructions to Security Agent and exercise of discretion*) and to paragraph (a) of Clause 28.2 (*Amendments and Waivers: Transaction Security Documents*) of the Intercreditor Agreement releasing the relevant Security over the Sale Assets pursuant to the Deed of Release and Release Documents and to do any other acts as may be necessary in order to give effect to such releases (collectively, the “Notes Proposals**”).**

CONSENT PAYMENT

There will be no consent fee paid to Holders in connection with the Consent Solicitation.

CONSENT CONDITIONS

The Notes Proposals shall become effective if the Required Consent is obtained at or prior to the Expiration Time (and has not been revoked prior to the Expiration Time).

However, the Required Consent (and therefore the consent to the Security Agent to enter into the Deed of Release and the Release Documents and to do any other acts as may be necessary in order to give effect to such releases) is conditional upon:

- (i) the consent in respect of the Transaction of the Majority Super Senior Creditors, having been received by the Security Agent in relation to the release of the applicable Security over the Sale Assets; and
 - (ii) the Security Agent having received confirmation from the 2019 Notes Issuer that the sellers and the buyers in relation to the Transaction have agreed that all other conditions to completion of the Transaction have been satisfied,
- (the “**Conditions**”).

Holders who wish to provide a Consent and whose 2019 Notes are held in the name of a broker, dealer, commercial bank, trust company or other nominee institution must contact such nominee promptly and instruct such nominee, to consent in accordance with the customary procedures of either Euroclear and Clearstream or, on behalf of the Holder of the 2019 Notes. The deadlines set by any such custodial entity and each Clearing System for the submission of Consent (or the revocation thereof (in the limited circumstances in which revocation is permitted)) may be earlier than the deadlines specified in this Consent Solicitation Statement.

Neither of the Notes Trustee, the Security Agent nor any agent under the Indenture or Intercreditor Agreement has any responsibility or liability for monitoring, tabulating or verifying compliance with deadlines or other formalities in connection with the delivery or revocation of Consent and the Notes Trustee or Security Agent will be relying conclusively on the 2019 Notes Issuer and the Information and Tabulation Agent, as applicable, for such purpose.

None of the Information and Tabulation Agent, the Notes Trustee, the Security Agent or any agent under the Indenture or Intercreditor Agreement nor any of their respective directors, employees or affiliates, makes any recommendation as to whether the Holders, Direct Participants or beneficial owners should deliver their Consent.

REQUIRED CONSENT

Pursuant to paragraph (a) of Clause 18.4 (*Instructions to Security Agent and exercise of discretion*) of the Intercreditor Agreement, the Security Agent shall act in accordance with any consent and instruction given to it by the Instructing Group in order to release the relevant Transaction Security (as defined in the Intercreditor Agreement).

Pursuant to paragraph (a) of Clause 28.2 (*Amendments and Waivers: Transaction Security Documents*) of the Intercreditor Agreement, the Security Agent may, if authorised by the Instructing Group, and if the Company consents, amend the terms of, waive any of the requirements of or grant consents under, any of the Security Documents which shall be binding on each party to the Intercreditor Agreement. For the purposes of this Clause, the Security Agent is hereby, by the circulation of this Consent Solicitation Statement, seeking the consent of the Senior Secured Creditors to the Transaction. If the Security Agent receives the consent of the Majority Senior Secured Creditors to the Transaction in response to this Consent Solicitation Statement, the Security Agent will seek the consent of the Super Senior Creditors to the Transaction. If such consent is obtained, the Security Agent will consent to the Transaction on behalf of the Instructing Group in accordance with paragraph (a) of Clause 18.4 (*Instructions to Security Agent and exercise of discretion*).

The consent of the Holders and the Majority Super Senior Creditors (who together comprise the Instructing Group) are each being sought in order to permit the Security Agent to release the relevant Security over the Sale Assets pursuant to the Deed of Release and Release Documents and to do any other acts as may be necessary in order to give effect to such releases.

In this Consent Solicitation Statement, the consent of the Majority Senior Secured Creditors (whose holdings comprise more than 50 per cent. of the 2019 Notes) is requested to the release of the relevant

Security over the Sale Assets. By providing their consent to the Security Release Request, the Majority Senior Secured Creditors consent and authorise the Security Agent entering into the Deed of Release and Release Documents, and to do any other acts as may be necessary in order to give effect to such releases, provided that the Conditions are satisfied.

The Notes Proposals will become effective at the Effective Time.

There will be no consent fee paid to Holders in connection with the Consent Solicitation.

There can be no assurance that the Notes Proposals will become effective.

The Notes Proposals shall only be implemented if the Required Consent is obtained at or prior to the Expiration Time (and has not been revoked prior to the Expiration Time).

If the Required Consent is obtained then the Security Agent will, subject to the satisfaction of the Conditions, enter into the Deed of Release and Release Documents, and do any other acts as may be necessary in order to give effect to such releases, in order to give effect to the Notes Proposals. If the Notes Proposals become effective, the Notes Proposals will be binding on all Holders and their transferees whether or not such holders have consented to (or have revoked their consent to) the Notes Proposals.

FAILURE TO OBTAIN REQUIRED CONSENT

The Notes Proposals shall only become effective if the consent of the Majority Senior Secured Creditors to the Security Release Request is obtained at or prior to the Expiration Time (and has not been revoked), and provided that the Conditions have been satisfied.

In the event that the Required Consent is not obtained at the Expiration Time, any other condition set forth in this Consent Solicitation Statement with respect to the Notes Proposals is not satisfied and/or waived, or the Consent Solicitation is terminated, none of the Notes Proposals will become effective.

If the Required Consent is not obtained at the Expiration Time, the Notes Proposals shall not become effective, and the Security Agent will not have consented to release the relevant Security pursuant to the Intercreditor Agreement and, consequently, shall not release the Security.

The 2019 Notes Issuer needs to receive the consent of more than 50 per cent. of the Super Senior Creditors and more than 50 per cent. of the Holders to release any Security in accordance with the Intercreditor Agreement. If the Required Consent is not obtained at the Expiration Time, the Security Agent will not have consented to release any Security pursuant to the Intercreditor Agreement and will not release the Security. See “*Certain Significant Considerations*” for a more detailed description of the risks relating to the Notes Proposals not becoming effective.

EXTENSIONS; AMENDMENTS

The term “**Expiration Time**” means 4:00 P.M., London Time, on 28 March, 2022, unless the 2019 Notes Issuer extends the Expiration Time, in which case the Expiration Time shall be the latest date and time for which an extension is effective. In order to extend the Consent Solicitation period, the 2019 Notes Issuer will notify the Information and Tabulation Agent, the Notes Trustees and Security Agent of any extension by written notice and will make a public announcement thereof, each prior to 5:00 p.m., London Time, on the next business day after the previously scheduled Expiration Time. The 2019 Notes Issuer may elect to utilize any means reasonably calculated to inform Holders of such extension. Failure of any Holder to be so notified will not affect the extension of the Consent Solicitation.

The 2019 Notes Issuer expressly reserves the right, in its sole discretion, at any time to (i) terminate the Consent Solicitation, (ii) extend the Expiration Time and/or (iii) amend the terms of the Consent Solicitation in any manner.

If this Consent Solicitation Statement is amended in a manner determined by the 2019 Notes Issuer to constitute a material change, it will promptly disclose such amendment in a manner reasonably

calculated to inform the Holders of such amendment and, if required by applicable law, extend the Expiration Time as so required.

The minimum period during which the Consent Solicitation will remain open following a material change in the terms of this Consent Solicitation Statement or in the information concerning the Consent Solicitation will depend upon the facts and circumstances of such change, including the relative materiality of the terms or information changes.

If the 2019 Notes Issuer elects to extend the Expiration Time and/or amend the terms of the Consent Solicitation in a manner favourable to the Holders, all Consent received will remain valid until the Expiration Time (including any extension thereof). If the 2019 Notes Issuer terminates or shortens the Consent Solicitation period and/or amends the terms of the Consent Solicitation in a manner which the 2019 Notes Issuer determines is prejudicial to the Holders, all Consent received will be cancelled and the Holders who wish to provide a Consent will be required to submit a new Consent.

Without limiting the manner in which the 2019 Notes Issuer may choose to make a public announcement of any extension, amendment or termination of the Consent Solicitation, the 2019 Notes Issuer will have no obligation to publish, advertise, or otherwise communicate such public announcement, other than by complying with any applicable notice provisions of the 2019 Notes Indenture and the Intercreditor Agreement, respectively.

None of the 2019 Notes Issuer, the Joint Administrators, the Information and Tabulation Agent, the Security Agent or the Notes Trustees is responsible if any Holder fails to meet these deadlines and cannot participate in the Consent Solicitation.

PROCEDURES FOR CONSENTING

The 2019 Notes Issuer will accept Consent given in accordance with the customary procedures of Euroclear and Clearstream.

UNDER NO CIRCUMSTANCES SHOULD ANY PERSON TENDER OR DELIVER 2019 NOTES TO THE 2019 NOTES ISSUER, THE JOINT ADMINISTRATORS, THE INFORMATION AND TABULATION AGENT, THE NOTES TRUSTEE, THE SECURITY AGENT, THE REGISTRAR OR THE IRISH LISTING AGENT AT ANY TIME.

The 2019 Notes Issuer will resolve all questions as to the validity, form, eligibility (including time of receipt) and acceptance of Consent, and those determinations will be binding. The 2019 Notes Issuer reserves the right to reject any or all Consent not validly given or any Consent the 2019 Notes Issuer's acceptance of which could, in the opinion of the 2019 Notes Issuer's counsel, be unlawful. The 2019 Notes Issuer also reserves the right to waive any defects or irregularities in connection with deliveries or to require a cure of such irregularities within such time as the 2019 Notes Issuer determine. None of the 2019 Notes Issuer, any of its affiliates, the Joint Administrators, the Notes Trustee, the Security Agent, the Information and Tabulation Agent or any other person will have any duty to give notification of any such waiver, defects or irregularities, nor will any of them incur any liability for failure to give such notification. Deliveries of Consent will be deemed not to have been made until such irregularities have been cured or waived.

The Consent Solicitation is being made to all persons in whose name the 2019 Notes were registered as of the Record Date. Only Holders and Direct Participants may deliver a Consent. For the purposes of the Consent Solicitation, the term "Holder" shall be deemed to include Direct Participants who held 2019 Notes through Euroclear or Clearstream as of the Record Date. A beneficial owner of an interest in 2019 Notes held through a Direct Participant must properly instruct such Direct Participant sufficiently in advance of the Expiration Time to cause a Consent to be delivered by such Direct Participant.

The execution and delivery of a Consent will not affect a Holder's right to sell or transfer 2019 Notes. All validly delivered Consents received by the Information and Tabulation Agent prior to

the Expiration Time will be effective notwithstanding a transfer of the related 2019 Notes subsequent to the Record Date, unless the subsequent Holder arranges for the Holder that gave the Consent to validly revoke such Consent by following the procedures set forth under “Revocation of Consent”.

REPRESENTATIONS, WARRANTIES AND ACKNOWLEDGEMENTS

By submitting, or requesting the Direct Participant to submit on its behalf, a valid Electronic Consent (as defined below) to Euroclear or Clearstream, the Holder is deemed to represent, warrant and acknowledge to the 2019 Notes Issuer, the Joint Administrators, the Notes Trustee, the Security Agent and the Information and Tabulation Agent (solely as and to the extent applicable to each such party pursuant to the provisions below) that:

- it has received and reviewed this Consent Solicitation Statement;
- it was the holder of record as of 28 February, 2022 of the 2019 Notes;
- no information has been provided to it by the 2019 Notes Issuer, the Joint Administrators, the Information and Tabulation Agent, the Notes Trustee, the Security Agent, or any agent under the Indenture with regard to the tax consequences to holders of the 2019 Notes arising from the participation in the Consent Solicitation and agrees that it will not and does not have any right of recourse (whether by way of reimbursements, indemnity or otherwise) against the Information and Tabulation Agent, the Notes Trustee, the Security Agent or any agent under the Indenture or the Intercreditor Agreement in respect of such taxes and payments;
- it consents to the Notes Trustee and the Security Agent doing all things as may be necessary or expedient to carry out and give effect to the Electronic Consent;
- it hereby acknowledges that this Consent Solicitation Statement and the transactions contemplated hereby will not be deemed to be investment advice or a recommendation as to a course of conduct by the Notes Trustee, the Security Agent or any of their officers, directors, employees or agents; it further represents that, in executing and delivering the Electronic Consent, it has made an independent investment decision in consultation with its own agents and professionals;
- it agrees that the Notes Trustee, the Security Agent and the Information and Tabulation Agent will not be held responsible for any liabilities or consequences arising as a result of acts taken by them or pursuant to the terms of the Consent, this Consent Solicitation Statement or the Notes Proposals, including, without limitation, any loss or damage suffered or incurred as a result of the Notes Trustee or Security Agent (as applicable) (i) executing the Deed of Release and Release Documents or any other documents or agreements the Notes Trustee or Security Agent may be asked to sign, and doing any other acts as may be necessary in order to give effect to such releases, or (ii) taking (or refraining from taking) any action by the Notes Trustee, Security Agent or any other party related to or in connection with the Consent Solicitation;
- it acknowledges that (i) the provisions of clauses 18 (*The Security Agent*), 22 (*Costs and Expenses*) and 23 (*Indemnities*), of the Intercreditor Agreement apply to this Consent Solicitation Statement as if they were expressly set out herein with necessary changes being made and with each reference in the Intercreditor Agreement to “this Agreement”, “Debt Documents” or like references being deemed to be a reference to this Consent Solicitation Statement; and (ii) that the Notes Trustee will have the benefit of all its benefits, discretions and protections which are granted to it under the Indenture shall apply to its actions made pursuant to and in connection with this Consent Solicitation Statement;
- it acknowledges that the Joint Administrators act as agents for, and on behalf of, the 2019 Notes Issuer and neither they, their firm (or any other legal entity or partnership using in its name the words “Alvarez & Marsal” or “A&M”), members, partners, directors, officers, employees, agents, advisers or representatives (together, the “**Related Parties**”) shall incur any personal liability

whatever under or in relation to this Consent Solicitation Statement, including (without limitation) in respect of (i) any of the obligations undertaken by the 2019 Notes Issuer or in respect of any failure on the part of the 2019 Notes Issuer to observe, perform, or comply with any such obligations; or (ii) under or in relation to any associated arrangements or negotiations; or (iii) under any document or assurance made pursuant to this Consent Solicitation Statement; and

- it acknowledges that each of the Related Parties shall be entitled to rely on, enforce and enjoy the benefit of these representations, warranties and undertakings.

All authority conferred or agreed to be conferred pursuant to the foregoing representations, warranties and acknowledgements and every obligation of such Holder or any beneficial owner of the 2019 Notes and the Consent given by such Holder any beneficial owner of the 2019 Notes shall be binding upon the successors, assigns, heirs, executors, administrators, trustees in bankruptcy and legal representatives of such Holder or any beneficial owner of the 2019 Notes and shall not be affected by, and shall survive, the death or incapacity of the Holder or any beneficial owner of the 2019 Notes.

EUROCLEAR AND CLEARSTREAM

Consent for the 2019 Notes shall be given through the procedures of Euroclear or Clearstream. Consent delivered with respect to any of the 2019 Notes in accordance with the procedures described below will constitute the delivery of a written Consent by such Holder with respect to such 2019 Notes.

Delivery of Consent

The delivery of Consent pursuant to the procedures set forth below will constitute a binding agreement between such Holder and the 2019 Notes Issuer seeking such Consent in accordance with the terms and subject to the conditions set forth in this Consent Solicitation Statement.

Electronic Consent

To validly deliver Consent by Electronic Consent (as defined below), a Direct Participant should contact Euroclear or Clearstream for participation procedures and deadlines regarding the submission of an electronic consent (each an “**Electronic Consent**”) to authorize the delivery of Consent. Holders who wish to provide a Consent and whose 2019 Notes are held in the name of a broker, dealer, commercial bank, trust company or other nominee institution must contact such nominee promptly and instruct such nominee to effect the submission of an Electronic Consent to authorize the delivery of Consent for such Holder in accordance with the procedures set out herein.

The valid submission or delivery of an Electronic Consent in accordance with Euroclear's and Clearstream's procedures shall constitute a written consent to the Consent Solicitation.

For the avoidance of doubt, only Direct Participants can submit an Electronic Consent. The receipt of such Electronic Consent by Euroclear or Clearstream may be acknowledged in accordance with the standard practices of Euroclear or Clearstream. For the avoidance of doubt any such acknowledgement does not constitute an acceptance of the Consent by or on behalf of the 2019 Notes Issuer.

None of the 2019 Notes Issuer, the Joint Administrators, the Notes Trustee, the Security Agent the Information and Tabulation Agent or any of their respective affiliates, officers, directors or employees or any other person will be under any duty to give notification of any defects, irregularities or delays in such Electronic Consent, nor will any of such entities or persons incur any liability for failure to give such notification.

Procedures for Delivering Consent

A Holder may consent by submitting, or requesting the Direct Participant to submit on its behalf, a valid Electronic Consent to Euroclear or Clearstream in accordance with the requirements established by the relevant Clearing System. The Electronic Consent must contain:

- the outstanding principal amount of the 2019 Notes with respect to which the Holder wishes to deliver a Consent, such amount of 2019 Notes, in order to be valid, being in minimum denominations of £200,000 and multiples of £1,000 in excess thereof;
- the name of the Direct Participant, the securities account number for Euroclear or Clearstream in which the 2019 Notes are held;
- name, contact telephone number and email details for the Holder; and
- whether the Holder consents to the Notes Proposals.

All information in the Electronic Consent will be disclosed to the 2019 Notes Issuer, the Joint Administrators, the Notes Trustee, the Security Agent and the Information and Tabulation Agent and their respective legal advisers.

Unless revoked prior to the Expiration Time, the Consent by a Holder of the 2019 Notes will, on acceptance of the Consent by the 2019 Notes Issuer and verification to the Holders thereof, constitute a binding agreement between such Holder and such issuer in accordance with the terms, and subject to the conditions, set forth in this Consent Solicitation Statement and in the Electronic Consent, as the case may be. Unless revoked prior to the Expiration Time, a Consent will be binding on the consenting Holder upon receipt by Euroclear or Clearstream of a valid Electronic Consent in respect of the Notes Proposals.

The deadlines imposed by each of Euroclear and Clearstream for the submission of Electronic Consents may be earlier than the relevant deadlines specified in this Consent Solicitation Statement.

No Letter of Transmittal or Consent Form

There shall be no letter of transmittal or consent form delivered in connection with the Consent Solicitation. The submission of an Electronic Consent in the manner provided in this Consent Solicitation Statement shall constitute written consent to the Consent Solicitation.

All Consent will be made on the basis of the terms set out in this Consent Solicitation Statement and, once made in the manner described above, will be binding on the Holder (unless such Holder revokes its consent prior to the Expiration Time). Consent in respect of the 2019 Notes may only be made by submission of a valid Electronic Consent to Euroclear or Clearstream prior to the Expiration Time.

The receipt of an Electronic Consent by Euroclear or Clearstream will be acknowledged in accordance with the standard practices of Euroclear or Clearstream. All questions as to validity, form and eligibility (including time of receipt) of any Electronic Consent will be determined solely by the 2019 Notes Issuer. Such determination as to whether or when an Electronic Consent is received or whether it is duly completed and signed shall be final and binding.

Holders must submit, or request the Direct Participant to submit on its behalf, or deliver Electronic Consents through Euroclear or Clearstream in accordance with the procedures of, and within the time limits specified by, Euroclear or Clearstream for receipt by the Information and Tabulation Agent, prior to the Expiration Time.

By submitting or delivering an Electronic Consent through Euroclear or Clearstream to the Information and Tabulation Agent, Direct Participants are deemed to authorize Euroclear or Clearstream to disclose its identity, the principal amount of the 2019 Notes subject to the Electronic Consent and Euroclear or Clearstream account details to the 2019 Notes Issuer, the Joint Administrators, the Notes Trustee, the Security Agent and the Information and Tabulation Agent and their respective legal advisers.

Beneficial owners of 2019 Notes who are not direct account holders in Euroclear or Clearstream should arrange for the Direct Participant through which they hold its 2019 Notes to submit or deliver an Electronic Consent on its behalf to and through Euroclear or Clearstream, in accordance with the procedures of, and within the time limits specified by, Euroclear or Clearstream for receipt by the Information and Tabulation Agent, prior to the Expiration Time. The Direct Participant will vote in accordance with the instructions given to it by the beneficial owners of the 2019 Notes.

Unless waived by the 2019 Notes Issuer, any irregularities in connection with Electronic Consents must be cured within such time as the 2019 Notes Issuer shall in their absolute discretion determine. None of the 2019 Notes Issuer, the Joint Administrators, the Notes Trustee, the Security Agent and the Information and Tabulation Agent, any of their respective affiliates, directors or employees or any other person will be under any duty to give notification of any defects or irregularities in such Electronic Consent, nor will any of such entities or persons incur any liability for failure to give such notification.

Consent of 2019 Notes in Physical Form

All holders of the 2019 Notes hold the 2019 Notes through a Clearing System participant account and there are no 2019 Notes in physical form.

No Guaranteed Delivery

There are no guaranteed delivery procedures provided by the 2019 Notes Issuer in connection with the Consent Solicitation. Beneficial owners of 2019 Notes that are held in the name of a custodian must contact such entity sufficiently in advance of the Expiration Time if they wish to consent.

Direct Participants in Euroclear or Clearstream delivering Consent must give authority to Euroclear or Clearstream to disclose its identity to the Joint Administrators, the 2019 Notes Issuer, the Notes Trustee, the Security Agent or the Information and Tabulation Agent.

REVOCACTION OF CONSENT

A Holder may revoke its Consent at any time prior to but not on or after the Expiration Time.

All Consent received prior to the Expiration Time will be counted, unless, at any time prior to the Expiration Time, a notice of revocation is delivered in accordance with the procedures of Euroclear and/or Clearstream, as described below. Any notice of revocation or withdrawal request received on or after the Expiration Time with respect to the Consent will not be effective.

Any Holder of 2019 Notes that has delivered Consent through Euroclear or Clearstream may revoke such Consent prior to the Expiration Time by submission of an electronic withdrawal through Euroclear or Clearstream. If the Holder has requested that a custodian submit an Electronic Consent on its behalf and wishes to withdraw its Electronic Consent, the Holder should contact such custodian prior to the Expiration Time. The Holder should be aware, however, that the custodian may impose earlier deadlines for withdrawing or revising an Electronic Consent in accordance with its procedures.

A revocation of the Consent will be effective only as to the 2019 Notes listed on the revocation and only if such revocation complies with the provisions of this Consent Solicitation Statement. Only a Holder is entitled to revoke a Consent previously given. A beneficial owner of the 2019 Notes must arrange with its broker, dealer, commercial bank, trust company or other nominee institution to execute and deliver on its behalf a revocation of any Consent already given with respect to such 2019 Notes.

A purported notice of revocation that is not received by the Information and Tabulation Agent in a timely fashion and accepted by the 2019 Notes Issuer as a valid revocation will not be effective to revoke a Consent previously given.

A revocation of a Consent may only be rescinded by the delivery of a new Consent in accordance with the procedures set forth in this Consent Solicitation Statement. A Holder who has delivered a revocation may after such revocation deliver a new electronic consent at any time prior to the Expiration Time.

The 2019 Notes Issuer reserves the right to contest the validity of any revocations.

All revocations of Consent must be delivered in accordance with the customary procedures of Euroclear and Clearstream, as applicable.

From and after the Effective Time, each present and future Holder of the 2019 Notes will be bound by the Notes Proposals whether or not such Holder delivered a Consent or otherwise affirmatively objected to the Notes Proposals.

See “Certain Significant Considerations—If the Notes Proposals sought in the Consent Solicitation become effective, all 2019 Notes will be subject to the terms of and bound by, all such Notes Proposals.”

INFORMATION AND TABULATION AGENT

The 2019 Notes Issuer has retained GLAS Specialist Services Limited as the Information and Tabulation Agent in connection with the Consent Solicitation. The 2019 Notes Issuer has entered into an agreement with the Information and Tabulation Agent, which contains provisions regarding payment of fees, expense reimbursement and indemnification arrangements. At any given time, the Information and Tabulation Agent may trade the 2019 Notes for its own account, or for the accounts of its customers, and accordingly, may hold a long or short position in the 2019 Notes.

The Information and Tabulation Agent does not assume any responsibility for the accuracy or completeness of the information contained in this Consent Solicitation Statement or for any failure to disclose events that may have occurred and may affect the significance or accuracy of such information.

The 2019 Notes Issuer has not authorized the Information and Tabulation Agent to give any information or make any representations in connection with this Consent Solicitation other than those contained in this Consent Solicitation Statement and, if given or made, such information or representations must not be relied upon as having been authorized.

EXPENSES OF THE SOLICITATION

The 2019 Notes Issuer has agreed to pay the Information and Tabulation Agent customary fees for services in connection with this Consent Solicitation. The Notes Trustee, Security Agent and their respective counsel are entitled to be paid their usual fees and expenses in connection with a request of the type contained in this Consent Solicitation Statement. The 2019 Notes Issuer has agreed to reimburse the Information and Tabulation Agent, the Notes Trustee and the Security Agent for their respective out-of-pocket expenses (including fees and disbursements of counsel) and to indemnify them against certain liabilities, including liabilities under federal securities laws. Except for amounts paid to the Information and Tabulation Agent, the Notes Trustee and the Security Agent, the 2019 Notes Issuer will not pay any fees or commissions to any broker, dealer or other person for soliciting Consent in the Consent Solicitation.
