

Four Seasons Health Care

Copper Beeches Care Home, Rochester

A home that feels *just right*

Our home is in a charming area, situated a short distance from the centre of historic Rochester. We are close by to local shops and public transport, making us easily accessible for visitors to stop by any time.

Our team provides nursing care for those who have complex medical needs and for those living with dementia. We also provide respite care to those who would like a change of scenery and good company, or to give carers a well-earned break.

Our chef and catering team work to create meals that are nutritious and tasty, using fresh seasonal ingredients. For extra variety, we enjoy a range of activities and celebrations throughout the year, to ensure our residents get the most out of every day.

“ During his time there he was cared for in a wonderful manner. ”

Our residents particularly like...

- Snacks and fresh fruit always available
- Relaxing in our beautiful landscaped gardens
- Home baking each day
- Our in-house hairdresser
- Free Wi-Fi throughout the home
- Being able to add personal touches to their rooms
- There is always someone to chat to

Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
