

# St Catherines Care Home, Bolton

## A home that feels *just right*

**Our home is in a pleasant area in Horwich. We are a short drive from Bolton town centre and close to public transport, making us easily accessible for visitors to pop-in for a chat.**

Our team offers residential care for people who need help with daily tasks, as well as nursing care for those with more complex medical needs and for those living with dementia. We also provide specialist care and support for those with a life limiting illness.

Our chef and catering team work to create meals that are both nutritious and tasty, using fresh seasonal ingredients. For extra variety, we also celebrate a range of occasions throughout the year with special meals and events.

*“ I have found the staff to be extremely helpful, caring, knowledgeable and extremely hard working. ”*

### Our residents particularly like...

- Our busy activities programme
- Getting involved with the community
- Being able to add personal touches to their rooms
- Relaxing in our lovely garden
- Socialising in the range of communal spaces
- Our on-site hairdresser
- There is always someone to chat to

## Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
