

The Laurels Care Home, Houghton le Spring

A home that feels *just right*

Our home is situated in a quiet, residential area in the rural town of Hetton-le-Hole. We are close to local shops and public transport, making us easily accessible for visitors to pop-in for a chat.

Our dedicated team offers residential care for people with complex medical needs, and for those living with dementia. We also provide nursing care for people with more complex medical needs, as well as respite care for those who would like a change of scenery and good company, or for carers to take a short break.

Our chef and catering team work to create meals that are both nutritious and delicious, using fresh seasonal ingredients. In addition, we also celebrate a range of occasions throughout the year, with special meals and events.

“ I would not hesitate to recommend The Laurels to anyone looking for a care. ”

Our residents particularly like...

- Fresh, home baking each day
- Our exciting activities programme
- Regular visits from our hairdresser
- Chatting with loved ones in our beautiful gardens
- Snacks and fresh fruit always available
- Being able to add personal touches to their rooms
- There is always someone to chat to

Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
