HEALTH CARE

Whitefield Lodge Care Home, Glasgow

A home that feels *just right*

Our home is surrounded by beautiful countryside in Lennoxton, at the foot of Campsie Hills. We are close to local shops with good transport links, making us easily accessible for friends and family to visit loved ones.

Our team offers nursing care for people with complex medical needs and for those living with dementia. We also provide respite care to give loved ones a change of scenery and good company, or for carers to take a short break, as well as palliative care.

Our chef and catering team work to create meals that are nutritious and tasty, using fresh seasonal ingredients. In addition, we celebrate a variety of occasions throughout the year, and offer a range of activities so residents are never without something to do.

“ There is a genuinely warm and friendly atmosphere at Whitefield Lodge. ”

Our residents particularly like...

- Exploring our wonderful garden
- Relaxing in the conservatory with friends
- Being pampered by our hairdresser
- Fresh, home baking
- Reading a favourite book in our library
- The choice of quiet or sociable communal spaces
- There is always someone to chat to

Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
