

Four Seasons Health Care

Windsor House Care Home, Cannock

A home that feels *just right*

Our home is conveniently situated in the Hednesford suburb of Cannock. We are close to local shops, public transport, and the M6, making us easily accessible for visitors to pop in for a chat

Our team offers residential care for those who need help with daily tasks, nursing care for people who have complex medical needs, and dementia care. We also provide respite care for those who would benefit from a change of scenery and good company, or for carers to take a short break.

Our chef and catering team work to create meals that are both nutritious and tasty, using fresh seasonal ingredients. For extra variety, we also celebrate a range of occasions throughout the year with special meals and events.

“ I am satisfied with my mother's care. She is treated with respect, compassion and dignity. ”

Our residents particularly like...

- The busy activities programme
- Pet therapy
- Visiting the local nature reserve
- Our in-house hairdresser
- Relaxing in our peaceful garden
- Being able to add personal touches to their rooms
- There is always someone to chat to

Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
