

**Four Seasons**  
HEALTH CARE

# Carrickstone House, Cumbernauld

## A home that feels *just right*

**Our home is located in a pleasant residential area in Cumbernauld. We have beautiful views of the surrounding countryside and are a short drive away from Glasgow city centre with public transport very easily accessible.**

Our dedicated care team offers 24-hour nursing care, as well as specialist care and support for those with a life-limiting illness. We also provide nursing dementia care in a separate, specialist unit.

Our chef and catering team work to create meals that are nutritious and tasty, using fresh seasonal ingredients. In addition, we celebrate a variety of occasions throughout the year, and offer a range of activities so residents are never without something to do.

*“ I cannot thank them enough for the level of care given to mum and dad. ”*

### Our residents particularly like...

- Reading a favourite book in our library
- Being pampered in our hair salon
- Fresh, home baking
- Enjoying activities with other residents
- Exploring our beautiful sensory gardens
- Being able to add personal touches to their rooms
- There is always someone to chat to

## Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
