HEALTH CARE

# Harbour View Care Home, Whitehaven

A home that feels *just right*

**Our home is in a pleasant residential area overlooking the harbour. We are close to local shops and public transport, making us easily accessible for visitors to pop in for a chat.**

Our care team offers nursing care for those who have complex medical needs, and respite care to give family or friends a well-earned break.

Our chef and catering team work to create meals that are nutritious and tasty, using fresh seasonal ingredients. We also offer a range of activities for residents within the home, and celebrate a variety of occasions throughout the year.

*“ I am constantly impressed by the patience and friendly kindness of the care staff. ”*

## Our residents particularly like...

- Shared activities with the local community .
- Fabulous entertainment programme.
- Enjoying activities with other residents.
- Relaxing in our peaceful garden.
- Fun trips into town with everyone.
- Being able to add personal touches to their rooms.
- There is always someone to chat to.

## Variety every day

We have strong connections with the local community and our events and activity programme includes something for everyone with the opportunity for lots of socialising or quiet time if preferred.

If a resident has a hobby or pastime they enjoy, we'll encourage them to continue it with us. Or perhaps they may like to rekindle a love of something or possibly learn something new. The important thing is that we treat every resident as an individual.
